Information required to assist your application

Please provide reasons for making an application for a grant so the trustees have the best possible awareness of the request.

We suggest that you include:

- personal details of the person(s) grant is being requested for
- as much information about the request as you can
- the reasons for the request
- some history of the beneficiary
- the value of the grant required
- when it is required
- what this grant will achieve for the applicant and how will it benefit the applicant
- what is the total cost of the project
- whether you are you applying to other organisations for support
- are there any funds on hand already raised for this project
- what previous fundraising has been made
- does the project have a specific timetable
- how do you intend to measure the success of this grant
